LAMMERS Jess T.

CLERK  
U.S. DISTRICT COURT

Jess T. Lammers is being held at  
Lincoln Regional Center in violation of  
NRS chapter ? § 314 false imprisonment a 3A felony.

The court order holding MR. Lammers is most because  
MR. Lammers filed A-22-106 appeal with  
Appellate Court of Nebraska. (Fees paid) as  
Judge Marsh tried to stop MR. Lammers by infirm papers denied.  
Moreover pursuant to the State V Grueney (1880)  
standard MR. Lammers is fit for trial

Pursuant to the State v Guantay (1980) Standard  
MR. Lammes is fit to exercise his 6<sup>th</sup> amendment  
Rights.

The 6<sup>th</sup> amendment is a Right not a  
privilege. As described by Corey O'Brien,  
Judge Marsh, Rick Cahillkins, and NE DIFTS  
Lincoln Regional Center implied 6<sup>th</sup> amendment is a privilege

Judge Marsh is in violation of wolf v. wolf  
and a Judicial abuse of power does exist.  
herein.

Jess T. Lammes asks the Federal Court to over ride  
the Phelps County District Court and order Lincoln Regional  
Center to immediately Release MR. Lammes as MR. Lammes  
is fit for trial & MR. Lammes is fit to exercise  
6<sup>th</sup> amendment Rights.

the Constitution of this Sovereign Nation (USA) is what sets America apart from 270(some) other nations across the globe.

MR. LAMMERS Rights Should not be Sublegated because Nebraska attorneys and Judges Can't perform their Job duties Correctly.

Again, Mr. Lammers Requests his immediate Release by order of the Federal Court which Should Supercede a Otoe County District Court Order... unless the Federal Court is corrupt too... Does anyone Read or follow Precedent?
